RULES & PUBLICATION

RULES

1. Registration charges: Rs. 100 per student for offline and Rs. 50 per student for online participation. Minimum 3 student authors should there for 1 article. The name of the guide/supervisor and principal should be included as an author while publishing the article as a book chapter but not now.
2. One student from the group should collect the registration fee from all and fill the registration form. Everyone should not register individually. No fee for guide/principal. Guide/mentor/subject teacher should not register separately. Information about them will be collected through registration form for students. Participants must preserve the screenshot or receipt of fee paid.
3. Students of all years of PhD, PG, Degree and Diploma in any stream will be considered in one Rank. In case of tie, the prize money will be divided equally amongst the winners.
4. All the data should be presented in English A4 size MS word file with times new roman, 10 font size for text and 12 for headings/subheadings/sub-subheadings and single line spacing. Headings/subheadings/sub-subheadings should be made bold. Detailed instructions will be provided immediately after the registration.
5. Names of those who win will be declared. Entire merit list will not be displayed.
6. Evaluation criteria will be as follows (The decision of the judges will be final.)
   - Depth and quality of the content (20 marks)
   - Correctness of English (10 marks)
   - Following the instructions to author (20 marks)
   - Clarity of tables & figures (20 M).
   - Correctness of referencing style and citation of references (20 marks)
   - Secrecy of identity (Students will lose 10 marks if identity is revealed).
   - Presentation style (10 marks).
   - Question answer (10 marks)
   (last two points are not applicable for 1st round).

PUBLICATION
1) Separate publication charges will be applicable.
2) Not only the winners but all the participants will get the opportunity to publish their article as a book chapter provided the article should be of sufficiently good quality.
